DRAGON'S GOLD

Directions: Practice target words or complete a task before rolling dice to see how many gold pieces you have earned. You can either add the gold to the dragon mat so the dragon can protect it **OR** you can start the game with the gold pieces on the mat and take them away from the dragon. In this case, mark the back of a few gold pieces with a number. If those pieces are chosen then you have to return the same number of gold pieces to the dragon.

DRAGON'S GOLD
