Wait	Wait	Complete a Task	Complete a Task	Complete a Task
Your spilled juice on the table caused as the bus pulled up. Miss one turn while describing the steps you would take to clean up.	You couldn't leave until your parent found the car keys. Move back 1 or list three places the keys might be located to stay where you are.	You forgot your homework and had to turn around ... move back 1 space after saying 3 target words.	You're stuck in traffic behind a turtle parade ... say your target word 5 times to roll again.	You stopped to watch a squirrel do cartwheels ... name 3 things that rhyme with late.

You had a delay ... explain what caused it. Your excuse must include something slimy, something loud, and a target word.	You're late again! Please explain. Your excuse must include something slimy, something loud, and a target word.	You lost your schedule ... what could you do to get back on track?

You made a cold lunch but can't find your lunchbox. How will you get home? Roll again & one agrees to your solution.	Your socks don't match and you refuse to leave. Move back 2 or explain your plan to resolve the delay and move back 1 space.	You stopped to count every ant on the sidewalk ... move back 1 space.	You saw a cloud shaped like an animal & forgot where you were going. Roll again only if you can describe the cloud in 3 words.	You stopped to tell your friend about a crazy dream you had last night. Move back 2 or describe the dream to stay where you are.
